- Travel light for a speedy clearance during the security screening at the gates (see 'What Not To Bring').
- The Circuit Park has something for everyone, from a wide selection of food, beverage and merchandise outlets to exciting performances by local and international artistes and thrilling on-track action. Be sure to put on a good pair of walking shoes and explore the Circuit Park.

- Log on to www.singaporegp.sg for the full on-track and off-track line-up. Artiste line-up is subject to change. Visit the official website for artiste performance timings, zones and stages.

Operation Hours

The Circuit Park will open from:

- **2pm to 12 midnight**
Friday (15 Sep)
- **3pm to 12 midnight**

How Do I Get There?

As a street circuit, there will inevitably be a high volume of traffic around the Circuit Park. Please refer to your ticket for the nearest gate(s). Plan your route accordingly, allowing plenty of time to get to the Marina Bay Street Circuit.

MRT train and shuttle bus services will operate on all three days of the race weekend (15,16,17 September 2017). However, please note that public buses servicing the vicinity of the Circuit Park may be disrupted.

A public transport guide to and from the Circuit Park will be made available at www.singaporegp.sg on Monday, 4 Sep 2017.

Parking

Given the increased volume of traffic around the Circuit Park, it is highly recommended that you take public transport. If you decide to drive, please note that there is limited parking around the Circuit Park due to road closures.

Wheelchair Accessible Platforms

Turn 1 (Zone 1)

The Turn 1 wheelchair accessible platform is located within Zone 1 and can be accessed from Nicoll Highway MRT via Gate 1.

Empress Place (Zone 4)

The Empress Place wheelchair accessible platform can be accessed from Raffles Place MRT via Gate 4.

Whilst many areas within the Circuit Park are accessible, the condition of several walkways as well as the relative positions of gates, overpasses and underpasses may restrict wheelchair access to various parts of the Circuit Park.

To move from Zone 1 to Zone 4, patrons in wheelchairs are advised to exit Zone 1 through Gate 1 and re-enter the Circuit Park through Gate 4 (beside Victoria Concert Hall) or Gate 5 (beside One Fullerton).

Please refer to our Event Guide at www.singaporegp.sg for recommended routes around the Circuit Park.
