

FREQUENTLY ASKED QUESTIONS

General

1. Will I be able to see the race clearly, without any obstruction, with my walkabout tickets?

Spectators in the walkabout areas can in some areas get closer to the cars than the spectators in grandstand seats, as it is possible for walkabout spectators to stand about 3 or 4 metres away from the edge of the track at certain locations.

The concrete and triple guardrail that makes up the lower portion of the barrier is only a metre tall. The rest of the protection consists of a steel wire mesh fence that you can see through clearly.

To ensure that spectators get a great view of the race, there will be a number of bleachers located along some of the prime trackside viewing locations for the benefit of walkabout patrons. However we cannot guarantee completely unobstructed views from all locations due to the nature of a street circuit.

Meeting the needs of patrons with disabilities is a priority for Singapore GP Pte Ltd. Please check www.singaporegp.sg for updates or contact us at tickets@singaporegp.sg or +65 6738 6738 for enquiries.

Much of the Circuit Park is accessible to patrons in wheelchairs or with limited mobility. We recommend that you familiarise yourself with the limitations on access and movement due to the complex geography of this street circuit.

- There are numerous wheelchair accessible restrooms within the Circuit Park. Please refer to the Circuit Park Map for exact locations. Some restrooms are temporary (portaloo), others are located within our stakeholder's premises (eg. within the Esplanade Theatres on the Bay). Wheelchair Accessible Platforms have a dedicated restroom next to the platform.
- In addition, patrons with mobility issues can access the wheelchair-accessible platform at the Padang in Zone 4 to catch the nightly concerts at the Padang Stage, on a first come, first serve basis.

Each customer on a wheelchair can have up to two companions on the Wheelchair Accessible Platform, who each have to purchase the same ticket for entry. These companions will be provided with seats beside the wheelchair slots on the wheelchair-accessible platforms.

Please note that whilst many areas within the Circuit Park are accessible, in many instances, the condition of several walkways as well as the Circuit Park's gates, barriers, overpasses and underpasses restrict access to various parts of the terrain on wheelchair. For more information on wheelchair access and facilities, please read our [Event Guide](#).

2. I am visually impaired. Can I enter the Circuit Park with my Guide Dog?

Visually impaired patrons are welcome to enter with Guide Dogs, but please inform us in advance via tickets@singaporegp.sg so that we can make provision at the gates to facilitate access.
