of entertainment, merchandise, as well as food and beverages on offer.

Bag checks will be conducted at all gates. Pack light for a speedy clearance during the security screening.

Patrons are not permitted to bring in their own food and beverages, except for one clear plastic bottle of soft drink or mineral water of not more than 600ml per person. Patrons will be able to refill their bottles at water points located throughout the Circuit Park.

It is highly recommended that you take public transport. If you decide

to drive, please note that there is limited parking around the Circuit Park due to road closures.
